DEVELOPMENT

I. The church of Christ in ILO – Peru is doing an evangelistic work in Chiribaya Area.

- A. On Saturday 3/14, I visited our friend Eufrosina Zavala, who lives in Chiribaya. She is very interested in the Word of God. I taught her about "The man's problem and its consequences". I asked her if the congregation could visit her the next day and she agreed.
- B. On Sunday 3/15, the congregation visited Eufrosina and brother Jesus La Torre taught "The Plan of Salvation". Sister Amparito helped during that time, taking care of Eufrosina's daughter.
- C. That day after the visit to Eufrosina, we went to knock doors and we gave away Christian literature in the neighborhood.

We have to continue preaching the Gospel and together let's accomplish what God has commanded us.

II. CHIRIBAYA PROJECT

On March 2, I had a meeting with brother Jesus La Torre to talk about what we

need to accomplish the Chiribaya project.

- A. What is the Chiribaya Project? This project was born after the evangelical campaigns that we had in January (Luis E. Valcarcel, Jose Carlos Mariategui, Nuevo ILO, Daniel Alcides Carrion and other areas). Working with love for Christ, we have rescued 10 souls from these areas.

We also visited Chiribaya in January and the congregation saw that in this new development (3 years old), people are more open to receive the Word of God and they asked if there is a church of Christ in the area. We may have a building in this area in the future, with God's help.

B. PURPOSE

1. Make the Church of Christ known through evangelical campaigns.
2. Get a place in that area to have Bible studies.
3. Motivate the brothers and sisters to take the gospel of Christ to Chiribaya.
4. Rescue souls in that area.

C. WHAT DO WE NEED?

Biblical material, a lot of prayers and advices from all of you brethren!

D. OUR VISION

The great wish of our congregation is to obey Christ' "Great Commission" (Matthew 28:19-20).

Take the true gospel to that area and gain souls for Christ (Proverbs 11:30).

We ask the Father and His Son and the Holy Spirit, to guide our work. We want this work to be done with love and to give the honor and the glory to God.

B. The fellowship meal took place on March 4th. All the brothers and sisters had a great time. Our friend Reina was also invited. Brother Roberto cooked a delicious lamb.

C. Dear brethren in the faith, I'm also sending the pictures of

sister Amparito Aroquipa and brother Roberto Valladares, when we celebrated their spiritual birthdays. They are growing spiritually and we know that God loves them very much.
